Acknowledgement of Country

The Gadigal people are one of the 29 Aboriginal clans that make up the Eora Nation which is bounded by the Georges River to the south, the Nepean River to the west and the Hawkesbury River to the north.

In the spirit of reconciliation, South Sydney Community Aid acknowledges the Gadigal people who are the traditional custodians of this land on which this publication has been developed and pay our respects to the elders both past, present and future for they hold the memories, the traditions, the culture and hopes of Aboriginal Australia.
